*“HERO” bests 7,000 plus Japan*

## Sunnyside preschoolers’ big day at the firehouse

When Sunnyside Preschool’s kids came up with the name “Hero” as their submission in the BIC “Name the Puppy” contest, little did they know what a big deal that was going to be. But when you win the contest in which more than 7,000 children sent in entries for the contest—including a third grade class from Japan—it is a major event. In photo left, many of the preschool’s 25 kids swarmed around a real puppy before receiving life safety skills from Fire District 8 personnel. —Photos by Darrell M. Gray
